MEDIA ADVISORY

WHAT: Portion of Makala Boulevard Closed During Kona Commons Construction

WHEN: Commences Monday, January 21

A portion of the privately-owned Makala Boulevard will close as construction ramps up for Kona's newest regional shopping center, Kona Commons.

The closure (see attached map) of Makala Boulevard will commence on Monday, January 21 for approximately four months. This closure will accelerate the construction timeline needed to widen and upgrade road infrastructure improvements including curbs, gutters, sidewalks and the undergrounding of utilities.

The public is encouraged to use the parallel roadways of Loloku Street and Kaiwi Street as alternate routes though the Kona Business Park (old industrial area) to access Queen Kaahumanu Highway.

Vehicular access from Kuakini Highway to Makala Boulevard will be restricted to traffic headed for The Swing Zone and the Queen Liliuokalani Children's Center during this time.

The first phase of Kona Commons is slated to open late this year with several national retailers. Kona Commons is being developed by MK Kona Commons LLC, a joint venture of The MacNaughton Group and Kobayashi Group on land leased from Queen Lili'uokalani Trust.

For further information regarding the temporary road closure contact Michelle Orian at Queen Lili'uokalani Trust at (808) 203-6150.
